Membership application form

Important note: The data entered in the following form will not be saved nor sent to us. After your data is submitted, a filled-in membership application form in PDF format is generated. This PDF form should be downloaded and needs to be signed by you. Regarding this you have the following options:

1. The “classical” way: print the form, sign it by hand and send it (i.e., the form with the original signature) via mail to the address of **Wilfried Apfalter, Webgasse 43/26, 1060 Wien (Vienna, Austria)**. In order to authenticate your signature, please also submit a copy of a valid official photo identity document or ID (e.g. passport, driver’s license), a visa document or a residence permit. You can also have your signature certified by a notary public or a court of law (see the respective place in the form).
2. The “digital” way: if you have a mobile signature (<https://www.handy-signatur.at/>) or citizen card (<https://www.buergerkarte.at/>), you can sign the PDF form digitally by using these services. This is equivalent to having your signature authenticated. Send this digitally signed PDF document via e-mail to praesidium@atheistisch.at.

If you prefer to fill in this form by hand completely, you can download the document from here: [membership application form](#)

You see, joining is easy.

With digital signature: fill out the application form and digitally sign → send e-mail. Or by post: fill in and sign the membership form, enclose the ID card copy → send mail.

The membership is free of charge.

Your membership application to the Atheist Religious Society will only become effective once this form is filled in completely and arrives validly signed at the Presidium of the Atheist Religious Society. We will send you a verification e-mail (addressed to the e-mail address you have provided in the application form) after we have received your membership application form. The date of your joining our community will be the date apparent in your form. The current version of the statutes is that of 13 April 2018.

We would like to point out that you as a member can get a member access to our Atheist Forum (including an internal member area that is not accessible from outside) as soon as you have sent us your application for membership. We hope that also this Atheist Forum is a good opportunity to get in touch with the Atheist Religious Society and individual members and to have a lively exchange.
